Dear colleagues,

It is with great sadness that we announce to you the untimely and sudden passing of our friend and colleague, Dr. Christopher Verdi on July 20, 2012. Dr. Verdi has been the cornerstone of our practice that set the standard for hard work, patient devotion, and medical judgment. His 16 years of solid dedication to service and his devotion to ethics and integrity made him a team leader unlike any other. His sound clinical acumen and patient care was respected by colleagues in the community and associates alike. He will be greatly missed.

Due to his absence, the clinical care of these patients will be ensured by his associates. Patient care will not be delayed in this transition. We will continue his legacy of compassionate and expert care in remembrance of our departed colleague.

Our deepest sympathies are with his wife, Penny and his immediate family. We would like to acknowledge and thank all our friends and colleagues who have embraced us with sympathy and support during this difficult time.

Sincerely,
