**Year Est:** 2011 **Care Providers:** 300 staff, 48 physicians  
**Principal(s):** Todd Werner, CEO

Banner MD Anderson Cancer Center in Gilbert delivers cancer care to patients in Arizona through the collaboration of Banner Health and The University of Texas MD Anderson Cancer Center. Banner MD Anderson offers focused disease-specific expertise in the medical, radiation and surgical management of the cancer patient, an evidence-based, multidisciplinary approach to patient care, access to clinical trials and new investigative therapies, state-of-the-art technology for the diagnosis, staging and treatment of all types of cancer, and oncology expertise in supportive care services. Providing all services in one location by a team of experts focused on one type of cancer allows us to present each patient a coordinated and customized treatment plan. The cancer center also offers cancer prevention programs, genetic counseling and integrative health consults for individuals at risk for cancer, patients undergoing cancer treatment and cancer survivors.
